

City of Danville

SUBSCRIPTION CURBSIDE RECYCLING

CHANGES TO CURBSIDE RECYCLING

The City now has a new recycling cart for all of the Subscription Curbside Recycling customers.

Public Works provides a new recycling cart to subscription curbside recycling customers. These carts are ninety-six(96) gallon carts which will allow you to have more space for your recyclables.

It will also allow us to have the option of using an automated truck for your pick up. Please set your old recycling bin at the curb and we will swap it out.

Please do not place glass in the new recycling carts, for safety reasons. Glass can be dropped off at one of the drop-off locations listed below.

Curbside recyclable materials:

MIXED PAPER

☑ Magazines, newspaper, cereal

boxes, paper rolls, paperback

books, etc.
